

The Ohio Foundation of Independent Colleges

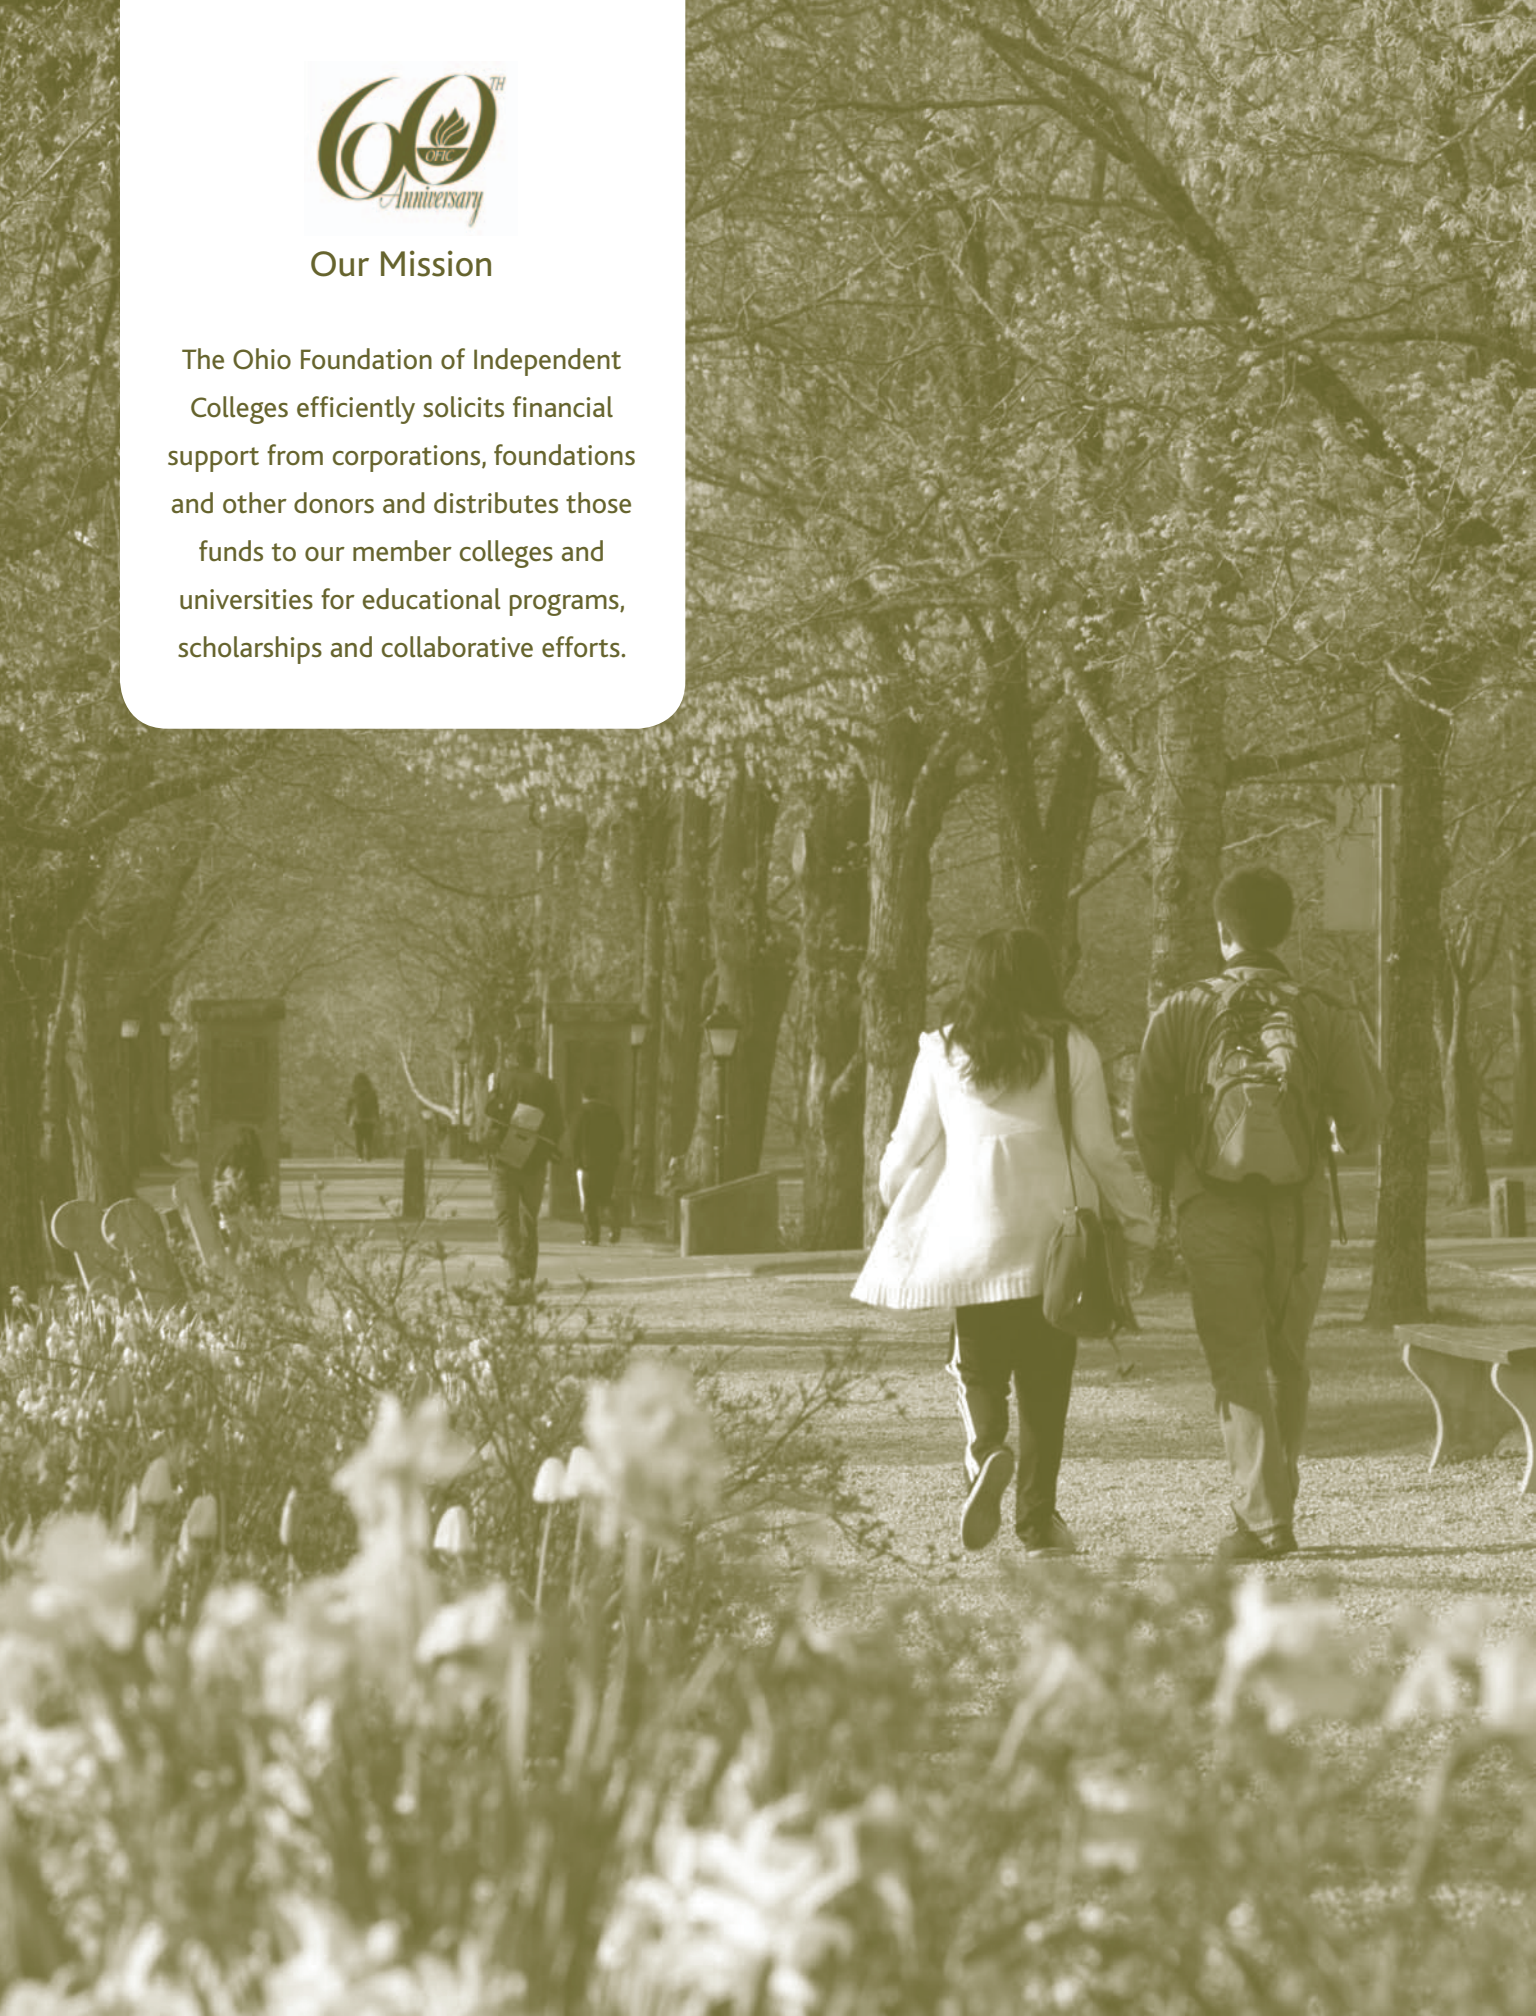

...making a difference

Our Mission

The Ohio Foundation of Independent Colleges efficiently solicits financial support from corporations, foundations and other donors and distributes those funds to our member colleges and universities for educational programs, scholarships and collaborative efforts.

To all those who support OFIC,

In this, The Ohio Foundation of Independent Colleges (OFIC) 60th anniversary year, I am proud to have been involved in the extraordinary efforts of the OFIC's corporate volunteers, trustees, donors, and member institutions to meet the significant fund raising challenges that have accompanied the recent economic downturn. My most sincere thanks to everyone who contributed to the successful conclusion of this year's campaign.

Edward J. Hartzell
Principal
MG International Group LLC
Chair, Board of Trustees, OFIC

More than \$3.4 million was raised to support OFIC member campuses. Donors provided more than 950 scholarships for the 2010-2011 academic year. Our teams of corporate volunteers persevered in the face of economic challenges, and the OFIC trustees provided invaluable personal assistance to the fund raising efforts.

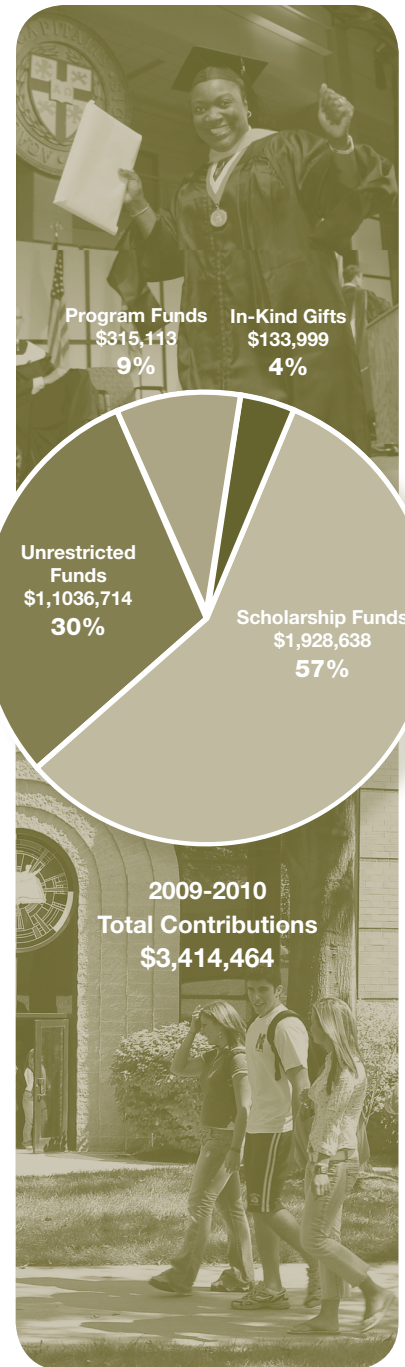

I am gratified by the dedication of our donors, who chose to direct their resources to support our students. I appreciate their recognition of the increasing difficulty of financing a college education and their willingness to provide assistance.

The OFIC continued to provide benefits for its members beyond financial assistance. Professional development workshops were held for campus business, development and communications staff. The OFIC's ninth annual CareerFest registered nearly 100 employers and 1,200 member students and was a resounding success. Members were offered cost-cutting opportunities through group purchasing initiatives, and the college access program, Bridges, became part of the curriculum at six Cleveland area high schools and will be offered at three Akron area locations.

Gordon R. Brollier
President
The Ohio Foundation
of Independent Colleges

As we look to the 2010-2011 campaign year, I am pleased to announce that Gordon R. Brollier has been named OFIC's sixth president. Gordon has been with the OFIC for 20 years, serving as Vice President of Development. The Board is very confident that his leadership ability, experience and knowledge will ensure the ongoing success of the OFIC. We thank Jeff Wolf for his able service over the last eight years and wish him well in his new endeavors. We congratulate and welcome Gordon and commit to support him and the OFIC mission in the years to come.
